Some Professional Recollections by a Former Member of The Council of the Incorporated Law Society (1883)

That said, Marx never advocated a singular, context-independent transitional path to communism; and while certain demands in the Communist Manifesto must be considered as independent of the national context of the time, the timing of their implementation is something that can best be understood within a historical process of transition.

Island: A Novel

This procedure will, we are hoping, supply a vast evaluation of present rules within the box.

A Polynomial Approach to Linear Algebra

Brooke sighed. He found China in great confusion and spent his life trying to persuade local princes to turn people away from religion and back to the older forms of Chinese life.
