Quality improvement must be a consequence of Quality Assurance In order to improve medical education in a systematic and effective way, quality assurance is a first step on the way to quality improvement. Get started.

Ms Constance Explains... for Novices: (An introduction to BDSM for the new and the nervous)

Leaving aside for the moment considerations of health and nutrition, it is certain that any American who tries to live in a grass hut and subsist on yams and termites will soon find himself ostracized by his colleagues at his own professional level, who will invariably live on a standard inconceivably higher than that of the peasant and who will in most cases be quite jealous of their own status and position. The wolf-form had now faded into a shapeless grey mist.

The Heros Guide to Being an Outlaw

One year, the second former prosecutor told me, he dismissed the charges in multiple murder cases. It's taking me a while to work through the various calls to customer service and email requests.

Night Train: New and Selected Stories, with an Introduction by Amy Bloom

It is usually accompanied with the habit of speaking from

nearly empty lungs, and in many cases the chest is flat, as only the upper portions are filled in inhalation.

The Attribution of Blame: Causality, Responsibility, and Blameworthiness

These interviews, collected from the last two decades, reveal Egoyan's unique themes, and his individual, independent approach to filmmaking.

Y?gen: A Transcendental Horror

Carney stuck gold again with almost the opposite of Once.
