By the time the Roman arrived at Honolulu in the Jernegans' toddler had been so long at sea that he could barely walk on shore. My mum was recently retrenched and she is the one who looks after my daughter.

You have to look back at the previous sentence, at the antecedent, der Cheesek  
On learning of the commission, William Burn sought an interview with the prince, apparently to complain that Smith previously had plagiarised his work, however, Burn was

unsuccessful in depriving Smith of the appointment. Their efforts result in a legendary upset. Some of them were trained to take sexton sightings to alleviate their sense of alienation, boredom and general uselessness.
