Library: An Unquiet History

The discovery of the coelacanth, thought to have been extinct for 75 million years, is the paradigmatic case of a rediscovered "lost" animal, and the unexpected appearance of the previously unknown megamouth shark in Hawaiian waters in indicates how difficult it is to make categorical statements about existence or nonexistence. By contrast, more sophisticated forms of humour such as satire require an understanding of its social meaning and context, and thus tend to appeal to a more mature audience.

Be My Princess (BWWM Romance Book 1)

The revelation of what and why it meant was the final straw for me: such an anti-climax, and it doesn't even make sense in the way it's described. Because of his injuries, Jackson's left arm had to be amputated by Dr.
